

An aerial photograph of a cityscape in Manhattan. On the left, a modern glass skyscraper, One United Nations Park, is shown in detail, with its interior floors visible through the glass. To the right, the United Nations Secretariat Building stands prominently. The Hudson River is visible on the far right, with the Manhattan Bridge in the distance. The sky is clear and blue.

One United Nations Park

Unparalleled Living and a Breath of New Life
at the Heart of New York City

The United Nations complex on First Avenue at the foot of East 44th Street has a new and striking neighbor to the south at 695 First Avenue between East 39th and East 40th Streets. Midtown Manhattan has a burgeoning new neighborhood, **One United Nations Park**, nestled between the UN's Turtle Bay site and Murray Hill. They are one and the same.
